

# Office of Lab Infrastructure

- Advises Office of Science on F&I matters
- SC POC for F&I matters
- Manages the Science Laboratories Infrastructure (SLI) program
  - Provides line item funding
  - Funds clean-up and removal of excess facilities
  - Oak Ridge Landlord program
  - PILT
  - Health and Safety Improvement funding
- SLI has invested over \$500M in line item funding over the last 20 years

# Workshop Overview

- SC is a \$3.5B/year research enterprise
- \$5B in unique research facilities in 10 laboratories
- \$6.9B in support facilities
- Key issue and focus of the Workshop is sustainment and recapitalization of our aging F&I
- Mixed funding strategy with direct funding & contractor funding
- Facilities Management comes together at the Site Offices and laboratories
